K-ARRAY

Our Story

K-array, founded in Italy, is a leading innovator in professional audio solutions. Originating from **HP Sound Equipment (1990)** and **K-array (2005)**, we have redefined live entertainment and architectural audio. Expanding our portfolio with **KGEAR** and **KSCAPE**, integrating lighting, **K-array** maintains its focus on unique, high-quality audio.

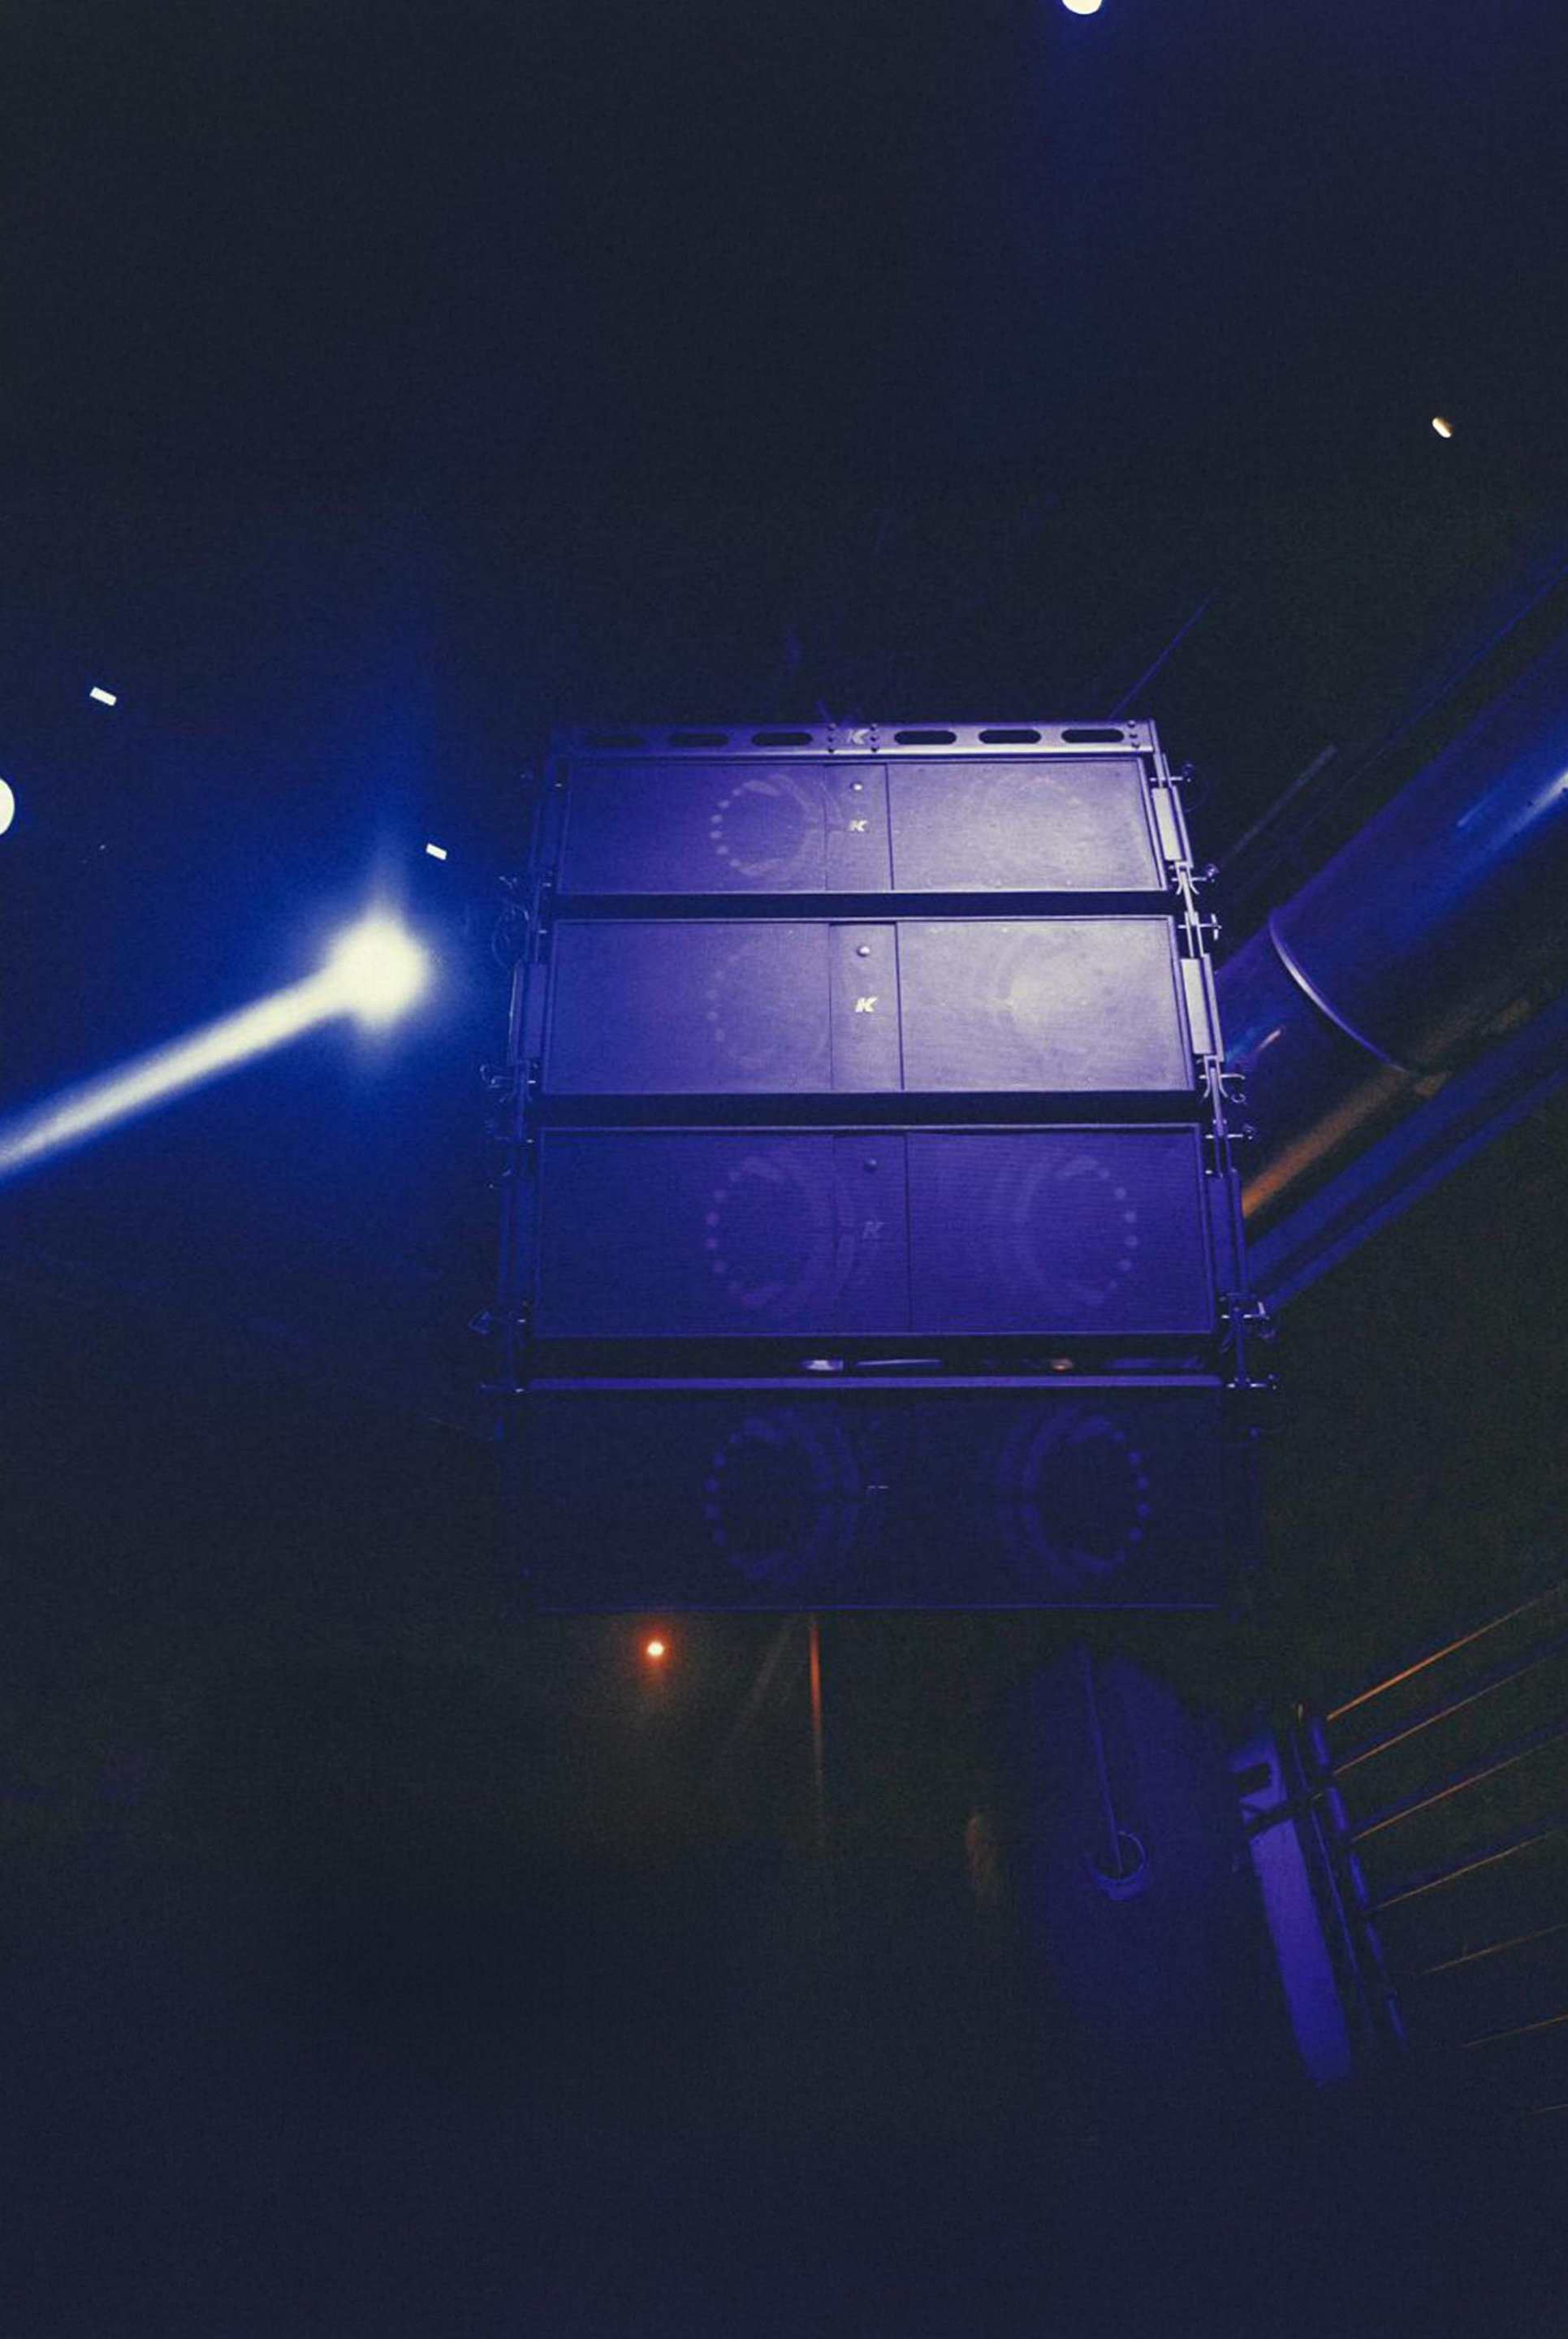

K-ARRAY

Designed and engineered
in Italy

Here the quality of life is closely linked to the quality of the territory.
Here aesthetics is innate.
Here technological innovation and traditional craftsmanship.
Here man and nature live in musical harmony.
From here, K-ARRAY exports the essence of sound throughout the world.
